While Ariel Schrag's 2014 novel Adam was well-reviewed and successful, it faced a backlash of transphobic claims due to its plot. The book is about a teenage boy who falls in love with a lesbian and pretends to be a trans man to win her over. A new Adam movie is due later this year, and that backlash against the story itself has only grown.

Well, this is problematic. I don't have anything against Ariel Schrag, per say like I do Norah Vincent (the reasons for which I could describe at length). Schrag is a talented writer. Adam opens with a crushingly awkward and awesome scene where Adam, the 17-year-old protagonist tries to make out with a pretty girl in her bedroom while she IMs her other friends.

Adam exploits the trans community, benefitting from the suffering and struggles for acceptance by actual trans men and trans women, in order to satisfy his teenage libido. The contrast between Adam and his crass friend is supposed to make us believe that Adam's genuine emotions for Gillian excuse the base motives at the root of the lie.

Thankfully, this quest and Adam himself are far less actively hateful than in Schrag’s original novel. Gone is the scene in which Adam lies to Gillian in claiming his penis is a strap-on while fucking her (as is the implication that this act was one of “corrective rape” after Gillian begins dating another cis boy in the book’s conclusion).
