Britain And Colonial Maritime War

It demonstrates how, after the War of the Spanish Succession, arguments for active colonial maritime war continued to be central to political conflict, notably in the opposition propaganda campaigns against the Walpole ministry, culminating in the War of Jenkins's Ear against Spain in 1739. The book also includes material on the South Sea ...

The War of Jenkins' Ear (known as Guerra del Asiento in Spain) was a conflict between Britain and Spain lasting from 1739 to 1748, mainly in New Granada and among the West Indies of the Caribbean Sea, with major operations largely ended by 1742.

War of Jenkins' Ear - Wikipedia

Origins of the British Empire. Great Britain made its first tentative efforts to establish overseas settlements in the 16th century. Maritime expansion, driven by commercial ambitions and by competition with France, accelerated in the 17th century and resulted in the establishment of settlements in North America and the West Indies.By 1670 there were British American colonies in New England ...

British Empire | Origins, Countries, History, & Facts ...

American success in the Revolutionary War created a new nation, while British failure tore away part of the empire. Such consequences were inevitably going to have impacts, but historians debate their extent compared with those of the French Revolutionary and Napoleonic Wars, which would test Britain soon after their American experience.Modern readers might expect Britain to have suffered ...
