Homi K. Bhabha is an Indian English scholar and critical theorist. He is the Anne F. Rothenberg Professor of the Humanities at Harvard University. He is one of the most important figures in contemporary post-colonial studies, and has developed a number of the field's neologisms and key concepts, such as hybridity, mimicry, difference, and ambivalence. Such terms describe ways in which colonised people have resisted the power of the coloniser, according to Bhabha's theory. In 2012, he received th

Introduction. Homi K. Bhabha (b. 1949) is a literary and cultural critic, influential theorist of postcolonial culture, and engaged advocate for the humanities. While easily understood as a postcolonial theorist, the range of his interests means it is perhaps better to characterize his work in terms of vernacular or translational cosmopolitanism. Born in Bombay, Bhabha was educated and taught in British universities, before moving to the University of Chicago and ultimately Harvard, where he ...

Interrogating identity by Homi K. Bhabha. To read Fanon is to experience the sense of division that prefigures and fissures - the emergence of a truly radical thought that never dawns without casting an uncertain dark. Fanon is the purveyor of the transgressive and transitional truth. He may yearn for the total transformation of Man and Society, but he speaks most effectively from the uncertain interstices of historical change: from the area of ambivalence between race and sexuality; out ...

Homi Bhabha's Concept of Hybridity. By Nasrullah Mambrol on April 8, 2016 • (12) One of the most widely employed and most disputed terms in postcolonial theory, hybridity commonly refers to the creation of new transcultural forms within the contact zone produced by colonization. As used in horticulture, the term refers to the cross-breeding of two species by grafting or cross-pollination to form a third, 'hybrid' species.

HOMI BHABHA Mimicry reveals something in so far as it is distinct from what might be called an itself that is behind. The effect of mimicry is cam-ouflage.... It is not a question of harmoniz- ing with the background, but against a mottled background, of becoming mottled- exactly like the technique of camouflage practised in human warfare.

Of Mimicry and Man: The Ambivalence of Colonial Discourse

Bhabha, in his preface, writes 'Nations, like narratives, lose their origins in the myths of time and only fully encounter their horizons in the mind's eye'. From this seemingly impossibly metaphorical beginning, this volume confronts the realities of the concept of nationhood as it is lived and the profound ambivalence of language as it is written.
