Glider Handbook - Federal Aviation Administration

Federal Aviation Administration

Federal Aviation Administration

The previous edition of the GFH (FAA-H-8083-13 and dated 2003) was printed by Skyhorse publishing. It was printed on calendared (coated) stock, and was a much sturdier book than this current version, printed by ASA. That said, this new version is first-rate, even though probably 95% of the information is exactly the same as the previous version.
