Practical Veterinary Pharmacology Materia Medica And ...

For many years after its invention around 1796, homeopathy was widely used in people and later in animals. Over the intervening period (1796-2016) pharmacology emerged as a science from Materia Medica (medicinal materials) to become the mainstay of veterinary therapeutics. There remains today a much smaller, but significant, use of homeopathy by veterinary surgeons.

Comparison of veterinary drugs and veterinary homeopathy ...

Veterinary Materia Medica “There is no road to the practice of homeopathy — whether it is the clinical road or the symptomatic road — which does not entail close and constant study of the Materia Medica”.
