Militarization and Violence against Women in Conflict ...

This book examines and discusses the ordeals that women face as violence is perpetrated against them in politically conflicted and militarized areas. In conflict zones, every act is affected by, dependent on and mobilised by militaristic values. The militarization of both the private and public space and the use of the gendered bodies increases the vulnerability of both men and women, and

Women frontliners in conflict zones: a genealogy of ...

There is an obvious connection between violence against women and militarization. If the intent of TIME magazine and organizations like Women for Afghan Women was to illuminate the taboo topic of violence against women with this picture -- I am all for it.

Violence Against Women Is No Rationale for Military ...

Sexual violence is often a risk factor for homelessness among women veterans. Stress, depression, and other mental health issues associated with surviving military sexual violence make it more likely that survivors will experience high rates of substance abuse and will have difficulty finding work after discharge from the military.

We Must Change the Culture of Violence Against Women in ...

Specifically, four components of the militarization of domestic violence are discussed: causality, competition, critique, and context. The article closes by reflecting on what is gained by shifting the analytical perspective from domestic violence in the military to the militarization of domestic violence.
