(2b) Jim (A) spilled the milk (O). These are further divided into two more types, based on speakers' intuition. Some, like spill in (2), are primarily transitive and secondarily intransitive. Other verbs like this include smash and extend. Other verbs, such as trip in (3) go the other way: they are primarily intransitive and secondarily transitive.

### Causative - Wikipedia

Use of comprised of has become so widespread and common that it's gained some level of acceptance. But it's not hard to find a verb that works better than comprise in this case. The verb compose is a good candidate because it tells us that the parts join to create a whole.. So, if you want to be completely sure that you're using the verb comprise in a way that everyone will deem correct ...

### Comprise vs. Compose | Grammarly Blog

Modal helping verbs express likelihood, ability, permission, or obligation without use of another helping verb, and most do not require the infinitive marker "to." ... Understanding is a protean concept in philosophy, and the desire for understanding is pervasive in everyday life. Scientists take it as their goal to understand the world and how it works, teachers and parents hope to transmit understanding to their students and children, and from a political and social point of view we often strive for mutual understanding.
