Raising boys to be gentlemen doesn't mean forcing the idea of gender equality. I don't believe in that for I feel men and women are both incredible, sometimes in the same way and mostly in their own ways. But raising boys to be gentlemen means making them understand that there isn't a strict dichotomy between how men and

Modern education is failing our boys. Educating and raising boys challenges society's war on boys and boyishness and encourages educators and parents to expand their understanding of the male brain to better support the boys in their lives. By examining the behaviour of boys from a neuroscientific standpoint and how the hardwiring in their brains
