Widmann's Clinical Interpretation of Laboratory Tests ...

Widmann's isn't just page after page of lab tests with normal and abnormal values--I recommend Wallach's for that. Widmann's bridges the relevant physiology and pathophysiology over to the clinical tests. This allows me to understand the 'why' behind the numbers.

Introduction. Contemporary clinical reasoning tests have been designed based on the assumption of single best instrument for each trait. Some researchers have criticized and questioned this approach, as clinical reasoning is multi-faceted trait that needs a battery of test to be comprehensively assessed (1,2).Most contemporary clinical reasoning tests typically assess non-automatic thinking ...
