Arthur C. Brooks' new book "The Battle" is a compelling and compact book about the social dynamics of America's current struggle between the culture of free enterprise and the culture of big government.

The Battle: How the Fight between Free Enterprise and Big ...

A battle is a combat in warfare between two or more armed forces. A war usually consists of multiple battles. In general, a battle is a military engagement that is well defined in duration, area, and force commitment. An engagement with only limited commitment between the forces and without decisive results is sometimes called a skirmish. Wars and military campaigns are guided by strategy, whereas battles take place on a level of planning and execution known as operational mobility. German strat
