Aristotle's theories of truth, practical reasoning, and action are some of the most influential theories in the history of philosophy.

Acces PDF Truthful Action Explorations In Practical Theology

It is surprising, then, that so little attention has been given to his notion of practical truth. In Aristotle on Practical Truth, C. M. M. Olfert gives the first book-length treatment of this notion and the role of truth in our practical lives overall.

Aristotle on Practical Truth - Oxford Scholarship

If practical truth has the form 'x is good', then the truth of the assertion is both practical and explains how a concern for it is at the same time a concern for action (127). We could see this view as a continuation of the Socratic picture sketched above, as it makes 'the good' achievable in action and a desire for it central.
