The Beveridge Report, officially entitled Social Insurance and Allied Services (Cmd. 6404), is a government report, published in November 1942, influential in the founding of the welfare state in the United Kingdom. It was drafted by the Liberal economist William Beveridge, who proposed widespread reforms to the system of social welfare to address what he identified as "five giants on the road ...

Beveridge Report - Wikipedia

The National Service Life Insurance (NSLI) program was created on October 8, 1940, to manage the insurance needs of World War II service personnel. Over 22 million NSLI policies were issued from 1940 until the program was closed to new issues on April 25, 1951. Policies were issued under a variety of permanent plans and as renewable term insurance.
