Where Memory Dwells Culture And State Violence In Chile Re Unification And Identity In The German
Where Memory Dwells exemplifies the best efforts of a sociological approach to memory as cultural mediation of power. It should be read by anyone interested in the critical work that collective memory may perform for our societies in transition.”—Lisa Yoneyama, Author of Hiroshima Traces: Time, Space, and the Dialectics of Memory

Where Memory Dwells Culture and State Violence in Chile
Subsequent efforts to come to terms with the national trauma have resulted in an outpouring of fiction, art, film, and
drama. In this ethnography, Macarena Gómez-Barris examines cultural sites and representations in postdictatorship Chile—what she calls "memory symbolics"—to uncover the impact of state-sponsored violence.

Where Memory Dwells exemplifies the best efforts of a sociological approach to memory as cultural mediation of power. It should be read by anyone interested in the critical work that collective memory may perform for our societies in transition.  

Lisa Yoneyama, Author of Hiroshima Traces:
Time, Space, and the Dialectics of Memory

Where Memory Dwells: Culture and State Violence in Chile, Macarena Gómez-Barris focuses on select visual representations and physical spaces as a lens through which to study the residual traces of the Chilean dictatorship in the cultural realm, and to consider “what symbolics of memory tell us about its afterlife” (8).

Attention then turns to the cultural productions related to memory and identity by Chilean exiles, focusing on
the work done by artists and culture workers in the San Francisco Bay area. Recent events in Chile demonstrate the importance and the relevance of examining the cluster of social phenomena that compose the country's historical memory.

**Pratt Institute**

Campo Algodonero serves as a standing symbol of memory that dwells in the lives of all of the victims’ families who refuse to stay quiet and who are
constantly in the middle of controversy.

The Way to Rainy Mountain is a history of the Kiowa people, but it’s a nontraditional history; it takes the kind of written “factual” history to which Euro-American culture is accustomed and
blends it with tribal lore and personal recollection. This is a surprising and radical choice in the context of most works of written history that value objectivity and evidence while discounting the ...
