Have the kids name the chickens. I think this is so fun and also helps get them involved right away. My first flock was named when my kids were 3 and 6. We ended up with the names, Oyster Cracker, Sunshine, Feathers, Peanut and Chocolate. I named one, Tilly. Consider joining a kid's chicken group. Get involved with your local 4-H or chicken club.

9 Tips: Keeping Chickens with Kids | Tilly's Nest

In addition to water the other key thing a chicken needs is food. Giving your chickens the correct food will keep them happy and turn them into an egg laying machine. Give them the wrong food and it can lead to all sorts of problems including bullying and weight loss... Read our complete guide to chicken feed here.

Beginner's Guide to Raising Backyard Chickens

Grooming. Your chickens will need grooming every once in a while. Chickens enjoy dust baths. Therefore, they should be inspected for skin parasites regularly and treated with chicken registered products if mites and lice are found. Make sure you treat the bedding and environment if an infestation is detected and even increase the frequency of bedding changes if needed.
